## English

Using familiar texts, traditional tales and repetitive language patterns, we will continue this term to build and extend sentences. We focus on developing consistency in knowing what a sentence should look like and how it should sound. Our focus in SPAG will be extending sentences, using the conjunction 'and' to join two clauses, whilst continuing to refine our handwriting and remembering key sentence features, like using capital letters for names, places and days of the week, as well as remembering to use finger spaces and to end a sentence with a full stop.

## Maths

This half term we will be learning the order and place value of numbers within twenty and learning how to represent these numbers in a variety of different ways, using objects, tens frames and digits. We will then move onto addition and subtraction of numbers within twenty. We will also be comparing objects and numbers in size.

## Keeping in touch

As parents, you are the first educators of your child and at this school we recognise that the partnership between home and school is fundamental to a child's success. School staff are always happy to speak to parents during the week, before or after school, so please contact the below email address or the office for an appointment.

Please email the class email address if you need to pass on any information or have any concerns: [Year1@st-patricksrc.notts.sch.uk](mailto:Year1@st-patricksrc.notts.sch.uk)

We will also keep you informed when we have additional adults working in a class or when there are changes to the staff members.
