### Keeping in touch

As parents, you are the first educators of your child and at this school we recognise that the partnership between home and school is fundamental to a child's success. School staff are always happy to speak to parents during the week before or after school, please just make an appointment through the school office.

This year, to support teachers in their workload management, and to ensure that the e-mail system is used in the most appropriate way, parents are asked to use e-mails to teachers only for the sharing of information about your child. Information can also be passed on at the beginning or end of the day, but parents are reminded to keep this brief, or to pass the information on to the school office.

Should parents at any point wish to meet with the class teacher, the school office should be contacted, and they will make an appointment in line with the availability of the class teacher and parents.

The Year 5 email address is [Year5@st-patricksrsrc.notts.sch.uk](mailto:Year5@st-patricksrsrc.notts.sch.uk)

We will also keep you informed when we have additional adults working in a class or when there are changes to the staff members.
