PE Day

Your child should wear their PE kit on Monday.

What will we be doing this half term?

English	Maths	RE
The Chocolate Tree by Linda Lowery and Richard Keep	1. Fractions 2. Geometry	1. Loving 2. Vocation and commitment 3. Expectations
Science	Topic - History	PE
Light	The Maya Civilisation	Fitness

English

Our class text for this half term is 'The Chocolate Tree' by Linda Lowery and Richard Keep. We will be writing in a range of different styles, including character descriptions, narratives and explanation texts.

Maths

For the majority of this half term we will be focusing on fractions, including: simplifying, comparing, adding, subtracting, multiplying and dividing fractions. Following our fractions work, we will begin our Geometry unit, which focuses on reflecting and translating shapes in four quadrants.

Keeping in touch

As parents, you are the first educators of your child and at this school we recognise that the partnership between home and school is fundamental to a child's success. School staff are always happy to speak to parents during the week before or after school, please just make an appointment through the school office. This year, to support teachers in their workload management, and to ensure that the e-mail system is used in the most appropriate way, parents are asked to use e-mails to teachers only for the sharing of information about your child. Information can also be passed on at the beginning or end of the day, but parents are reminded to keep this brief, or to pass the information on to the school office. Should parents at any point wish to meet with the class teacher, the school office should be contacted, and they will make an appointment in line with the availability of the class teacher and parents.

My email address is: Year6@st-patricksrc.notts.sch.uk

We will also keep you informed when we have additional adults working in a class or when there are changes to the staff members.
