Catholic Life and Mission

This week's word of the week was: **Discipleship**

Discipleship is all about learning from Jesus and following his example. It's about putting our faith into action and living out the Gospel in our daily lives. We can learn so much from Jesus' teachings, his compassion, and his love for others. As his disciples, we're called to be like Christ, to be a light in the world and share his message of hope.

Mission this week: Think of someone in need in your community who you can help and support this week.

Next week's word of the week is: **Scripture**

Class Liturgical Prayer Workshop

As part of our Collective Worship provision, pupil leadership is highly important. We come together as a whole school, key stages and year groups throughout the week. All classes have the opportunity to plan and lead their liturgical prayer to share and reinforce Monday's Word of the week. We would like to invite parents/carers into each class to provide you with a good understanding of how we plan, prepare and evaluate liturgical prayer and how scripture is central to all we do. Each class will also link this with a curriculum focus, details as below:

Appointments will be available to book via Arbor from Monday 26th January at 6pm. Each appointment will last five minutes; however, if you feel you require a longer discussion or an alternative appointment, please contact your child's class teacher(s) directly.

Pupil Premium Grant

Pupil Premium Grant For those of you unaware, the government provides a Pupil Premium Grant (PPG) for eligible families which provides additional money for schools to use to improve educational outcomes for our children. Not only does PPG funding help schools, but it also benefits parents too as it entitles you to:

- Free school meals;
- Free milk;
- Trips and residential visits subsidised where 50% of costs are paid by school;
- Participation in after school clubs subsidised by 50%;

Checking your eligibility is easy and takes just a couple of minutes. Login to Nottinghamshire County Council's Synergy Hub, simply enter your National Insurance Number, Date of Birth along with your child's details and the system will inform you if you are eligible. The Local Authority will then inform school which will enable us to offer you the above subsidies. Children attending maintained nurseries (which ours is) can also qualify.

More information about Pupil Premium can be found [here](#). If you need any further help, please don't hesitate to ask. And, like all other personal data, please be assured that being in receipt of the Pupil Premium Grant is never shared.

NSPCC Speak Out. Stay Safe. Programme

We are pleased to inform parents and carers that this term our school will be taking part in the **NSPCC's Speak Out. Stay Safe. programme**.

Speak Out. Stay Safe. is a child-friendly safeguarding programme for children aged 5–11. It aims to help children understand what abuse is, recognise the signs of abuse in all its forms, and know how to speak out if they are worried. Children are encouraged to talk to a trusted adult or contact **Childline**, a free and confidential service.

The programme is fully aligned with the curriculum and includes:

- Age-appropriate **virtual assemblies**
- **Classroom-based follow-up activities** reviewed by school staff
- **Face-to-face workshops led by trained NSPCC volunteers** for specific year groups

The content is delivered in an engaging and interactive way, supported by the NSPCC mascot **Buddy**, and discusses different forms of abuse, including emotional abuse, sexual abuse, neglect, physical abuse and bullying.

Assemblies

- **Wednesday 21st January**
- **For Key Stage 1 and Key Stage 2**

NSPCC Workshops
